Iron Lava Corp provides discounted services, volunteers and donations to select community based non-profit organizations and has committed 1% of our gross revenue to environmental concerns. We are also certified by Zerofootprint as a carbon neutral company.

Iron Lava Corp is a full service design and development firm specializing in print and new media. We combine the talents of graphic artists with the skills of computer programmers to provide complete communication solutions.

Clients achieve Iron Leaf Certification by choosing a 3% premium on Iron Lava Corp's fees. Carbon offsets are purchased with a portion of the premium and the remainder is donated to charities supporting community projects and environmental initiatives.

Iron Lava Corp was founded in January 2001 with a full range of graphic design and web development services. Our parent company's roots go back to April 1999 when companies first started realizing the value of the internet.

Iron Lava Corp provides services to a wide range of industries including the arts, consulting, hospitality, mining, manufacturing, not-for-profit, oil and gas, professional services, real estate, retail and transportation.

We are a community minded firm working to minimize our environmental footprint. Iron Lava Corp began official carbon reduction strategies in 2007 when it also began donating 1% of gross revenue to the natural environment.
